

Licence

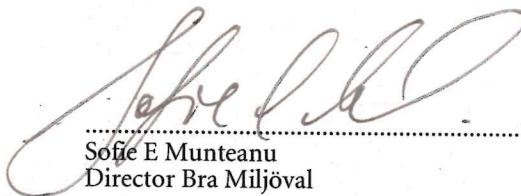

to use the Swedish Society for Nature Conservation's label Bra Miljöval for labelling of SPS Greenclean Facade by MPE International AB, Dalagatan 3B, 803 10 Gävle, Org. nr: 556722-0420

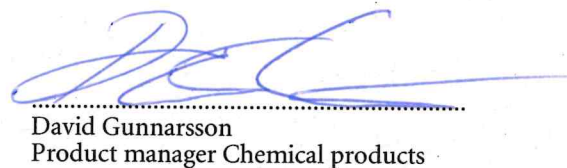

1-2023-0030-9

The licence is valid for the product mentioned above only and applies indefinitely, with notice of termination of the licence according to terms and conditions dated 1 March 2018. The licence holder shall comply with the licence terms and conditions issued by the Swedish Society for Nature Conservation. It is a condition that labelled products satisfy the valid criteria in question, determined by the Swedish Society for Nature Conservation.

The product is assessed according to the criteria for Chemical products. The assessment is based on a recipe with the registration number R1-2023-0033-0. The product is produced by MPE International AB.
