

# HumerusComfort Collum - Arm sling

ART.NO 20225

HumerusComfort Collum is an arm sling with the function to immobilize and relieve the shoulder. Shoulder in loose packed position for optimal fracture healing and pain relief.

**Indications:** Non-operative treatment of proximal humerus fractures. Abduction 30 °, elevation 0-40 °, internal rotation 0-20 °.

**Material:** 45% PU Foam, 30% Polyamide, 15% Polyester, 10% Cotton. Latex free.

**Washing instructions:** Machine wash at 40°C. Secure or remove all hook and loop closures before washing. Use a washing bag. Do not use bleach, chlorine bleach or fabric softener as this could impair the function of the material. Do not dry clean. Do not iron. Do not tumble dry.

**Size:** Universal size. The product is delivered mounted for either right or left arm.

Comfortably positions the arm/shoulder in a relaxed position and provides pain relief.
