

# GenuFeel - Gonarthrosis orthosis

ART.NO 70659

GenuFeel is an easy and convenient knee orthotics used for pain relief and also to facilitate and improve function in osteoarthritis of the knee. Elastic fabric is thin and breathable. Front opening with soft pocket tips for an easy fit. Front closure with Velcro strap adjustment.

The orthosis has an unique fastening and tensioning system with interlocking buckles and tensioning levers for fast and easy application. Three-point pressure system lightens the load on the painful side of the knee, support when needed, tensioned while walking and in stand-by when seated. Technopolymer valve for optimal pressure distribution and effective anchorage to the limb.

Single-sided steel stay with flexion (20°, 40°) and extension (0°, 10°) limitation. Polymer stay with integrated unloader ring, for correct positioning of the brace. Padding for additional protection against pressure from the thrust ring and valve.

**Indications:** Moderate unicompartmental gonarthrosis. Post-operative cartilage or meniscus surgery.

**Contraindications:** Currently no known.

**Material:** 55% Polyester, 31% Polyamide, 8% Elastane, 5% Other fibers. Latex is present in the product (white & orange loop).

**Washing instructions:** Take the stay out. Wash in lukewarm water with neutral soap. Leave to dry away from heat sources. Reinsert the stay.

**Size and measuring:** Circumference of thigh, measure 15 cm above knee, from center/mid-patella.

Left: for medial gonarthrosis of the left knee (varus left knee) or for lateral gonarthrosis of the right knee (valgus right knee)

Right: for medial gonarthrosis of the right knee (varus right knee) or for lateral gonarthrosis of the left knee (valgus left knee)

**LATEX** Latex is covered, will not get in contact with skin.

**MD** Class I **CE**

| Size | Circumf. 15cm above knee center in cm | Left Art.no | Right Art.no | Height |  |
