

Dolly compression body

Adjustable shoulder straps

Adjustable hook and eye closure in 3 steps

Overlapping opening in the crotch

Shaped knitting over buttocks

NordiCare[®] 

Dolly compression body

Effective compression that provides fast and pleasant healing

- Recommended after surgery on buttocks, hips, abdomen and back.
- Shaped knitting over butt suitable after BBL and butt lift.
- Provides compression and support for pain relief and reduced swelling.
- Hook and eye closure in the middle front for easy application and adjustable fit.
- Knitted seamless material in 4-way stretch that shapes to the body.
- The hidden wrap opening in the branch provides compression in the area.

The adjustable shoulder straps can be attached in the middle front or sides.

Wide cut in the back and flexible fit.

Shaped knitting to follow the body contour.
