

Jill compression top

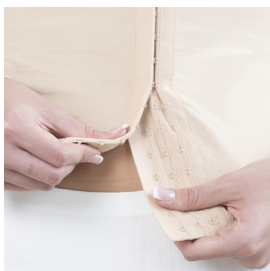

NordiCare[®] +

Jill compression top

Effective compression to promote fast and comfortable healing

- Recommended after arm and back surgery and liposuction.
- Compression and support for reduced wound swelling and pain relief.
- Easy application and adjustment with 3-step hook and eye closure in the front.
- Fabric in knitted seamless 4-way stretch.
- Fits different body shapes and bra sizes.
- Required uniform compression exactly where needed, targeted compression (class 1).

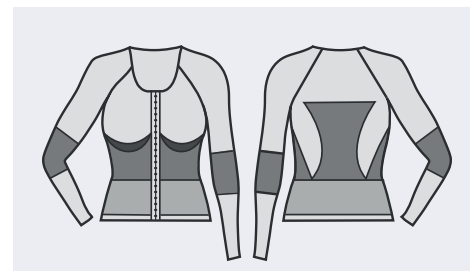

3-step hook & eye closure

Fully openable front
