

Kim facial bandage

Soft and breathable material

Stays in place,
even during sleep

Seamless edges

Possible to cut

NordiCare[®] 

Kim facial bandage

Comfortable, adjustable and supportive face compression

- Effective compression after for example facelift, liposuction or ear surgery
- Adjustable fit and compression to suit various sizes and shapes.
- Can be easily trimmed for optimum comfort and fit.
- Breathable, cooling material and seamless edges make Kim comfortable to wear.
- Easy to use and apply for professionals.

Adjustable velcro straps for best fit. The length of the straps can be shortened.

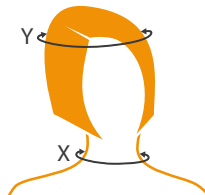

It is possible to cut openings, such as holes for the ears.

Can be trimmed around cheek, chin or neck for optimum comfort and fit.
