**NordiCare**<sup>®</sup> 

# Jessie compression bolero

## Arm compression for effective and comfortable healing

- Recommended after arm liposuction and arm surgery.
- Compression and support for reduced wound swelling and pain relief.
- Easy application and adjustment with 3-step hook and eye closure in the front.
- Fabric in knitted seamless 4-way stretch.
- Fits different body shapes.
- Required uniform compression around arm and armpit. Targeted compression (class 1).

3-step hook & eye closure.

Fully openable front.

Shapes to the body.

Shaped knitted zones over the back and arm crease for better comfort.
