

Corrections to the book "Air Law and Operational Procedures"

Edition 3, 2024

SIDA	RÄTTNING
27	<p>Correct picture is:</p> 
28	<p>Incorrect text: "The AIP cannot, according to Annex 15, be updated in an arbitrary manner. The changes should instead be notified in advance, at least 28 days in Sweden but normally 42 days, before change take place." The following is correct: "The AIP cannot, according to Annex 15, be updated in an arbitrary manner. The changes should instead be notified at least 28 dasy in advance."</p>
31	<p>IAP is eAIP now. The correct text should be: "In Sweden, the AIP is published along with AIRAC, SUP and AIC in something that is called eAIP, Electronic Aeronautical Information Package. eAIP is a collection with all the information about the aviation system in Sweden at a given time."</p>
