

## **6 YEARS GUARANTEE**

This product is carefully tested and quality controlled. 6 years warranty applies from the date of original purchase.

### **TERMS AND CONDITIONS**

- 6 years guaranteed for any defaults due to production or assembling.
- The chrome finish is 6 years guaranteed, meanwhile all the other finishes are 1 year guaranteed

### **THE GUARANTEE APPLIES FOR:**

Molding and casting defects. Defects of watertight and/or porosity. Defects of metal coating attributable to the manufacturer.

### **THE GUARANTEE DOESN'T APPLY FOR:**

- Deterioration caused by the incorrect installation and/or incorrect use.
- Damages of finishing caused by not using proper cleaning products.
- Damages caused by wear and tear.
- Damages caused by frost and any impurities in the pipes.

### **THE GUARANTEE DOESN'T COVER:**

Cost of labor performed for the substitution of defected items or compensation for direct or indirect damage incurred or sustained.

---

## **CLEANING AND MAINTENANCE INSTRUCTIONS**

### **CLEANING**

For normal cleaning and maintenance, you are advised to clean our product with neutral detergent, hot water and a soft cloth. Do not clean with abrasive sponges. Do not use spirit, hydrochloric, formic, sulphuric, acetic and phosphorous acids. Do not leave the finishing in contact with any remaining products for body care. Rinse always with a lot of water.

### **MAINTENANCE**

Routine and correct cleaning prevent lime scale. It's important to clean out regularly the inside filter of the aerators from the impurities by unscrewing it and rinsing it under running water. It is highly recommended, before the installation, to clean out all the impurities from the pipes and where it's possible, to install an under-basin water tap with built-in filter.
