## Details

### **Preparation of crêpes on the XXL grill plate**

Due to the uniform heat distribution, the crepe is evenly browned and has a perfect consistency. The result is impressive, the crepes look like they came from the crepe stand.

### **Easy cleaning**

The removable crêpes plate is not only practical to use, but is also easy to clean thanks to its high-quality non-stick coating.

### **Soft-touch temperature control**

Thanks to the stepless temperature control, the degree of browning can be individually adapted to your needs. To do this, turn the temperature control to the required level and wait until your food has reached the ideal browning.

### **Multifunctional for sweet crêpes and savory galettes**

Not only the famous French delicacies, but also galettes, pancakes and tortillas can be easily prepared on the crepe plate. Easy, tasty, quick!

### **Including spatula and dough tool for turning crêpes**

The T-shaped dough spatula with a rounded top and a pleasant handle makes spreading the crepe dough easy by hand. You can also ensure an even tan on both sides by turning and folding the fine crepe dough quickly and easily with the help of the crepe turner.

### **Non-stick coated plate**

Thanks to the large grill plate, crêpes, galettes, pancakes and tortillas can be optimally prepared. The high-quality non-stick coating makes it easy to remove without sticking dough and other food.
