## Description for Online Shops

### PERFECT FOR XXL-TOASTS – WITH PRACTICAL BAGEL FUNCTION

Well browned, perfectly set in scene and on top of that individually adjustable:

The AT2510 by SEVERIN turns simple breads into perfect toasts - or bagels. One side warm, the other crispy - energy-saving, the tastiest "American-style" results are created thanks to the integrated bagel function.

The design highlight from SEVERIN not only causes a stir as an eye-catcher in the kitchen, but also with its perfect results. Thanks to XXL roasting chambers, even large bread is toasted despite the space-saving design, the bread slice centring ensures perfect browning results.

Defrost, warm up, release button and 7 variably adjustable browning levels ensure individual results. A "Push-To-Open" crumb tray rounds off the design and allows easy cleaning. The toaster is also equipped with an integrated bread roll attachment for easy preparation of rolls.
