Description for Onlineshops / Catalogue

Quick and uncomplicated to the perfect breakfast egg!

With the EK 3166, you can easily cook up to 6 eggs at the same time.

The electronic cooking time control enables a simple and individual adjustment of the desired degree of hardness – a milliliter-accurate measurement of water is therefore a thing of the past!

The transparent and foldable hood facilitates cleaning and the use of 100% BPA-free materials guarantees a safe enjoyment.

Measuring cup with egg piercer included!
