Description for Onlineshops / Catalogue

The perfect kettle for single households..

This compact mini glass kettle integrates stylishly and modernly into every little kitchenette. With a capacity of 0.5 liters, it is extremely space-saving and prevents unnecessary water wastage in everyday life.

The WK 3472 is easy to operate thanks to the one-hand operation - thanks to the water level indicator printed on both sides, it is also perfect for right-handed and left-handed users.

The high-quality combination of glass and stainless steel is not only a real eye-catcher, but also guarantees safe use thanks to the use of 100% BPA-free materials.
