Description for Onlineshops / Catalogue

Suitable for all fruit varieties - with individual pulp control!

With its high-quality stainless steel design, the CP 3544 citrus press is not only a real eye-catcher, but also offers everything to prepare healthy and homemade juices in no time.

Thanks to the stable lever arm made of die-cast aluminium, juicing is quick, effortless and clean. The flexible joint of the lever arm allows an optimal juice yield up to the last drop - lemons, oranges, limes, grapefruits, blood oranges and even pomegranates can be optimally juiced.

Thanks to the two stainless steel sieves with pulp regulator, the pulp content in the juice can also be regulated at will. and as the individual parts are dishwasher-suitable, cleaning is also absolutely easy and effortless!
