KM 3898 Kitchen Robot with integrated scale

The USP at a glance:

Robust high-quality design, made of die-cast aluminium:

For secure stable use, even with heavy items.

- **Large stainless steel bowl with 5.5l capacity and planetary mixing system:**
For smooth, even mixing results, to prepare up to 3 kg cake batter/1.5 kg dough.
- **Includes a high-quality dough hook, flat beater and whisk for a variety of uses:**
For preparing beaten egg whites, whipped cream, pizza and bread doughs, and much more.
The accessories can be cleaned easily in the dishwasher.
- **Integrated weighing function**
Facilitates the measuring of ingredients directly in the mixing bowl
- **There are two practical display modes to make it easier to prepare food:**
Countdown mode: After a preset preparation time period has elapsed, the food processor stops automatically.
Timer mode: The current preparation time is displayed
- **Additional splash guard with filling chute:**
Helps to keep your working area clean, and makes it easier to add your ingredients.

Product details
