

EXCELLENT, PERFECT COFFEE ENJOYMENT – ECBC* CERTIFIED.

*This label of quality is awarded by the „European Coffee Brewing Centre“. Only coffee machines that meet the highest quality standards based on brewing temperature, brewing time and taste, be awarded with it.

KA 5763 Coffee Maker „Caprice“

USP at a glance:

- innovative wave-flush brewing method for coffee as if hand-brewed, with a full-flavoured, strong aroma
- innovative thermotronic technology ensures ideal brewing temperature (92 - 96° C) for perfect hot coffee pleasure
- two selectable brewing profiles for individual coffee enjoyment:
 1. for mild, balanced coffee pleasure
 2. for stronger, full-flavoured coffee according to ECBC standards
- leak-proof stainless steel thermo-jug with drip-through lid and practical one-hand operation ensures longer heat retention

Further advantages

- LED display with timer function to activate the brewing cycle, and additional descaling function
- high-quality and attractive full stainless steel design with transparent glass water tank makes the brewing process an experience
- integrated cable compartment for easy storage of the cable
