

XXL refrigerator

For private or commercial use

FKS 8841 - Beverage cooler

The USP at a glance:

- Plenty of storage space with 241 L usable capacity
- Suitable for commercial use
- Extra safe thanks to an integrated lock
- Bright, durable and energy-saving: LED light included

Product details

Can be used commercially

Thanks to the integrated lock, this beverage cooler is just as safe for commercial use as it is at home.

Plenty of storage space

There is room for up to X bottles in 241 L. The metal shelves are stable and can be partially adjusted in height.

LED lighting

For optimal illumination, a bright and energy-saving LED lighting is integrated.

Temperatures for every type of drink

With different settings (0 to 7), the beverage cooler reaches temperatures between 10 and 0 °C.
