STÄUBLI/MULTI-CONTACT ORIGINAL MC4

Stäubli Electrical Connectors (formerly Multi-Contact): Pioneer and world market leader for PV connectors

- Over 20 years experience in the photovoltaics sector (inventor of the original MC3 and MC4 connectors)
- Over 1.5 billion installed MC4 connectors connect more than 200GW or 50% of global PV capacity (2018)
- Proven MULTILAM technology with high long term stability which over the lifetime of the connector guarantees lasting low power loss and outages (lower LCOE)
