

Mad Dog 357 Gold Edition

Golden Fajita Burgers

This might be the fiercest burger you'll ever meet. Sure, it's simple enough to put together, but the heat is going to make your lips bleed a little.

Searingly Hot and Sour Soup

Believe it or not, this is the recipe they prepare in Asia when a cold is going around. So, not only is it full of flavor, but it may keep you healthy while you wait for the warmer weather that comes with spring.

Golden Game Day Fries

Serve this when you've got friends over to watch the game – or just because they're freaking delicious. One bite and you'll instantly be digging for more and fighting over the last French fry on the plate. Think we're kidding?

Mad Dog Killer Kimchi and Avo Burgers

If you're a fan of kimchi, all you need is a little Mad Dog 357 to transform any burger into a gourmet meal. Okay, that, and a few slices of cooling avocado. Truly, the combination is something you'll never get over. Plus, this burger is deadly simple to throw together.
