BLEND DESCRIPTIONS

ASSAM

From tea bushes in the spectacular Brahmaputra Valley, Northern India. Carefully plucked second flush tea with golden tips offering a rich and malty flavour.

Renowned for its delicate and thin leaves plucked in early Spring, this speciality Chinese green tea gives a charming fragrance, a rich yellow colour and a sweet, fresh and mellow flavour.

Named after the pearls that are often held by dragons in Chinese art, the white tips of this exquisite green tea are hand-rolled into balls. The tea is gently scented with Jasmine for a wonderful aroma and a sweet taste.

This special blend captures the subtle flavour of Ceylon teas grown at the highest elevations of Sri Lanka. At these heights the cool misty climate adds a distinctive light aroma to the fine golden colour.

The most prized Darjeeling teas are chosen with the utmost care for this famous blend. This is a tea of distinction with the beautiful and intense flavour synonymous with the best Darjeeling's.

This full-flavoured and exceptional blend of Limited Edition Darjeeling, Assam and Ceylon teas is enhanced with the slightest hint of bergamot. A tea with majestic qualities.

Known for its beautiful green colour and sweet floral aroma, this traditional, semi-fermented tea from China's Southern Fujian province provides a truly extraordinary taste experience.

Celebrating India's national drink, this intriguing blend combines finest quality Assam tea with ginger root, cinnamon and cardamom spices to produce a pleasingly rich flavour with plenty of zing.
