## 2024 Collectible of the Year

The 2024 Collectible of the Year celebrates three Zippo milestones in an incredible display of artistry.

Introduced as the Florentine in 1974, the iconic Venetian® pattern swirls on all sides of the Armor® case with our Laser Engrave process. The ornate design stands in gorgeous contrast to the Black Matte finish, which made its debut in 1984, while the Zippo flame icon is nestled among diagonal MultiCut pinstripes in an ode to the very first Deep Carve design unveiled in 2004. Finally, the Venetian pattern is replicated with delicate laser engraving on the coordinating stainless steel insert, which was chosen specially for Europe, the Middle East and Africa.

Each remarkable keepsake is consecutively numbered and authenticated with a Luxury bottom stamp. Production will be limited to 2,000 pieces, so don't miss your opportunity to offer this region-specific global Collectible to your customers.

## Limited Edition

A mighty Viking ship commands the surface of our 2024 Nordic Collectible of the year. Captured in a Texture Print design, the three-dimensional ship rises from the Black Matte lighter over an antique-looking Color Image map. Limited to only 100 pieces, this stunning Collectible is consecutively numbered with laser engraving on the reverse side and available only in the Nordic region.

# Vintage Lighters

## There's Nothing Old About Zippo Vintage.

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

### Distinctive features:

- Five-barrel hinge that joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current Zippo bottom stamp.
