

4.0 Twin Flow cod. 14792

Technical specifications

AR Code	14792
Max Pressure (bar)	150
Max Pressure (psi)	2175
Max flow (lph)	810
Max flow (gph)	214
Power (Kw)	2.5
RPM	3400
Power (Hz)	50-60
Power (V)	220-230
Unit size (mm) LxWxH	387x388x895
Packaging size	420x395x770
Net weight (Kg)	14
Pallet qty	10
20 feet container qty	210
40 feet container qty	435
Truck qty	330

Product details

4.0 Twin Flow is the ARBC high pressure washer equipped with **DTS (Dualtech System)**, the AR patented technical system which gives you the washing power of **two motorpumps** when you need it.

Choose **fast cleaning mode (2 power units)** to improve performances by 50% (Washing Performance Power +50%). The double flow rate enhances washing results by intensity and extent, allowing you to reach two goals: excellent cleaning of the toughest dirt, saving time and effort; washing in the fastest time the largest and highest surfaces, since the water jet height is up to 5 m. Choose this mode when you need to get rid of the toughest dirt and stains from stone and cement flooring, brick walls and sidings, roofs or construction applications.

Activate **1 power unit** when you need to remove light dirt from bicycles, motorcycles, cars, fences, outdoor furniture and sun shades, without wasting extra water and energy.

4.0 Twin Flow is equipped with **Twin Nozzle**, the must-have lance accessory, included inside the packaging, that will boost wide surfaces cleaning performance, saving your time and effort. It is perfect to wash concrete or brick walls, floorings and pools in a very efficient way.

4.0 Twin Flow is fitted with integrated hose reel with foldable hose reel handle; 8 mt HP textile hose; telescopic handle with soft hand grip; in-built HP detergent holder (600 ml); all in-one pocket storing for rotary nozzle, adjustable nozzle, twin nozzle; extra lance docking slot; balanced rubber wheels (Ø 20 cm); inspectable water intake filter; electric cable length 5 m; 2 three axial stainless steel pistons wobble-plate pumps with aluminium head; automatic by-pass valve with pump head pressure discharge; remote control for total shut-down of high pressure washer (TSS).

Standard accessories

High pressure foam lance bottle. cod. 46344

Adjustable jet nozzle cod. 46330

Rotary jet nozzle cod.46329

HP hose 8m. cod. 46335

Twin nozzle holder cod. 46337

Lance extension. cod. 46332

Pistola cod. 46328

Optional accessories

Aquasweeper cod. 46686

Power Brush cod. 46362

Extension hose 8 mt cod. 46336

Fixed brush cod. 46353

Extension lance kit 1,6 m cod. 46355

Five in One nozzle cod. 46342

Adjustable head nozzle adaptor cod. 46009

Calibrated and filtered sand 5kg cod. 3207

Spazzola rotante cod. 41578

Pipe Jet Drain kit 10 mt cod. 41588

Water filter kit cod. 41593

Click fast kit cod. 41580

Pipe jet Drain kit 16 mt cod. 41693

Water suction kit cod. 41592

Bike and Motorbike detergent 1lt cod. 41871

Boats and cars detergent 1lt cod. 41872

Universal detergent 1lt cod. 41870

Spazzola fissa cod. 41577

Universal detergent 5lt cod. 43491

Synthetic grass detergent 1lt cod. 43484

Walls and stones detergent 1lt cod. 43486

Awnings detergent 1lt cod. 43483

Solar panel detergent 1lt cod. 43485

Glass surfaces detergent 1lt cod. 43488

Decking surfaces detergent 1lt cod. 43487

Adapters kit cod. 41758

Calibrated and
filtered sand
25kg cod.
41770
