THE POWER OF ENZYMES

BEYERS ENZYMIX MODERN SYSTEM MIXTURES

THE POWER OF ENZYMES

BEYERS offers a **unique range of mixtures**, to which **enzymes** have been added, with the **ENZYMIX** mixtures. These enzymes are **100% natural and completely tasteless and odourless**. The enzymes are not activated until after the feed has been ingested as a result of circumstances in the gullet and ensure the grains' cell walls are broken down more quickly. This allows the pigeons to absorb the nutrients more quickly and more efficiently.

The result of this is threefold: the pigeon gets considerably **more energy from the feed**, the **digestibility** from protein and crude fibre is considerably **higher** than results in traditional mixtures and better digestion results into noticeably **drier and less droppings**.

BEYERS ENZYMIX 7/78 MS HI-DIGEST ENERGY - 20 KG

- Easily digestible, but rich in protein and fat-rich mixture for pigeons during the racing season.
- Contains 22% cardy, 5% paddy rice, 5% pigeon rice, 5% hemp, 5% linseed, 5% buckwheat and 3% mung beans.
- At the beginning of the week, during the racing season, these ensure rapid recovery and build-up for the next flight.
- During the racing season (flights up to 3 hours), you can supplement **ORIGINAL YOUNGSTERS** or **ORIGINAL SPORT** during the last feedings before basketing with of these protein and fat-rich mixtures.

Ingredients: cardy white dari, red sorghum, buckwheat, pigeon rice, yellow millet, peeled oats, canary seed, hemp seed, linseed, paddy rice, white wheat and mung beans.

Carbohydrates	49,80 %
Crude protein	13,20 %
Crude fat	11,80 %
Crude fibre	11,20 %
Crude ash	2,30 %
